

Give a man  
a fish &  
he'll eat  
for a  
day...

Teach him to  
fish &  
he'll eat for  
a lifetime.

That's the principle behind all that we do at **Lord & Hogan**.

As organizational development consultants, not only do we **develop** productive individuals & teams, but we also give them the **tools** to continue performing—long after we're gone.

Whether it's organizations facing restructuring, teams desiring improved performance or individuals experiencing communication problems, we create customized programs that address the issues affecting productivity. Then, we help individuals & teams monitor their progress so they can maintain their success in the future.

The results speak for themselves. Reduced friction. Improved communication. Greater focus. Enhanced morale. Increased productivity. **In short, people & teams that work.**
